### TIME FOR YOUR ANNUAL DUES PAYMENT!

As you know, to save costs we do not send a separate dues notice. Please consider this your notice requesting payment of your 2011 dues. This year you will again send your dues to the executive secretary, who maintains membership records. She will send checks to the treasurer. **Please include a self-addressed stamped envelope if you would like a membership card by return mail.**

Please fill out the form completely and mail it with your payment to the address shown. Please note that this year a separate membership directory will be mailed to all members who have sent in their dues by June 30<sup>th</sup>, 2011. The membership directory will contain contact information for everyone, to facilitate communication among members. Mark **one** of the appropriate boxes to indicate how much personal information you want included in the directory. To protect the confidentiality of our members, no lists of renewing members with contact information will be published in **About Towne**, which appears online and is distributed to libraries and organizations. We will, however, continue to publish names and cities of **new** members in **About Towne**.

Your expiration date and member number are shown on the address label for this newsletter. If you are a new member, fill out this form and write "new" in the number space.

Thank you for your help in making this process as smooth and speedy as possible. The sooner you send your dues, the easier you'll make it for the volunteers who handle this task.
